Why Join WisHHRA as an Organization?

What's included in your Membership:

NETWORKING

WisHHRA is your connection to colleagues throughout the state. Make meaningful connections at our Annual Conference, where collaboration thrives. Elevate your involvement by serving on the board or a committee. Expand your professional circle through the WisHHRA member directory and listserv.

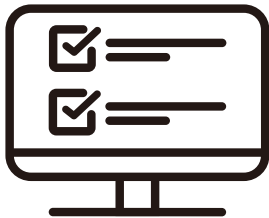

INFORMATION

WisHHRA communications share updates on important current issues and resources impacting your day-to-day work.

EDUCATION

WisHHRA programming provides a great opportunity for all members to learn and share knowledge on current trends and topics

SURVEYS

WisHHRA is partnering with the Wisconsin Hospital Association (WHA) to produce the annual compensation survey. The survey, and statewide and peer group results, will be available to member participants at no cost. The survey is a valuable resource for hospitals and health systems as they work through the many workforce issues facing the industry.

And much, much more to support ongoing learning, resources, and collaboration!
